**IMPORTANT DATES**

Refereed papers submission deadline:	Closed
Refereed papers notification:	January 28, 2005
Final papers due:	February 28, 2005
Poster submission deadline:	February 7, 2005
Poster notification:	March 7, 2005
Panel proposals notification:	January 31, 2005
Industrial track submission deadline:	February 7, 2005
Industrial track notification:	March 15, 2005

**Conference: May 10-14, 2005**

**WWW2005 CALL PARTICIPATION**

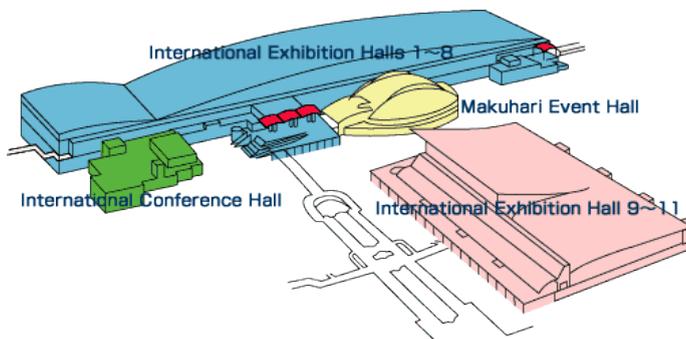

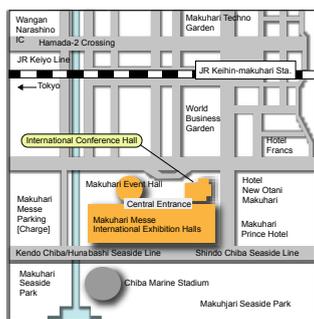

The International World Wide Web Conference Committee (IW3C2) and Keio University cordially invites you to participate in the Fourteenth International World Wide Web Conference. It will be held in Chiba, Japan at Nippon Convention Center (or better known as Makuhari Messe). It is conveniently located between Narita/Tokyo International Airport and Tokyo. The conference consists of a three-day technical program, preceded by a day of tutorials and workshops and followed by a Developers' Day.

**CONFERENCE SCHEDULE OUTLINE**

Monday May 9, 2005	Tuesday May 10, 2005	Wednesday May 11, 2005	Thursday May 12, 2005	Friday May 13, 2005	Saturday May 14, 2005
Registration	Registration	Registration	Registration	Registration	Registration
		Opening Ceremony			
		Keynotes	Keynotes	Keynotes	
		Paper Tracks	Paper Tracks	Paper Tracks	
	Tutorials and Workshops	W3C Track	W3C Track	W3C Track	Developers' Day
		Industrial and Practical Experience Track	Industrial and Practical Experience Track	Industrial and Practical Experience Track	
		Panels	Panels	Panels	
Registration		Poster Reception	Conference Dinner	Closing Ceremony	

**CONFERENCE VENUE**

Makuhari Messe is conveniently located halfway between central Tokyo and the New Tokyo International Airport (Narita Airport). The airport can be reached by bus or car in 30 minutes. Tokyo Station is also only 30 minutes away by train (the JR Keiyo Line).

**The 14th International World Wide Web Conference**

# The 14th International World Wide Web Conference

## KEYNOTE SPEAKERS (confirmed)

Tim Berners-Lee (World Wide Web Consortium)  
Eric Brewer (University of California at Berkeley)  
Lorrie Cranor (Carnegie Mellon University)  
Rob Glaser (RealNetworks)

## HALF DAY TUTORIALS

1. Architecting and Developing Message-Oriented Web Services
2. Emerging Infrastructures for Information Dissemination - XML Aware Networks
3. Speech enabling the Web using ECMA/ISO standard
4. RDF and Topic Maps Interoperability in Practice
5. Application Issues of XML Schema Languages
6. Introduction to RDF Query with SPARQL
7. Networked Arts - Methods and Tools to create and maintain Virtual Museums
8. Web Content Mining
9. Matching Words and Pictures - Problems, Applications and Progress
10. Standards-Based Design
11. Web-based Interactive Collaboration using Semantic Web Technology
  - -Introduction of the Annotea and its Comparison to the Blog
12. Location-based Services in Mobile Information Systems
  - - Architectures, Description, and Systems
13. MDA Standards for Ontology Development

## FULL DAY TUTORIALS

1. Network and Web Services Security concepts using Java
2. Content Repurposing
3. Web Bloopers - Avoiding Common Web Design Mistakes
4. Web Engineering
5. Automating Web Service Composition With HTN Planning
6. Internationalizing Web Content and Web Technology

## WORKSHOPS

1. 2<sup>nd</sup> International Cross-Disciplinary Workshop on Web Accessibility
2. Measurement and Metrics
3. Social Web Content Filtering and Semantic Web
4. The Semantic Computing Initiative - From Semantic Web to Semantic World
5. Mobile Workshop
6. Education Workshop
7. AIRWeb'05 - Adversarial Information Retrieval on the Web
8. Innovations in Web Infrastructure (IWI)
9. CSCMWEB 2005 - Workshop on Cultural resource Semantic Cooperative Management over the Web
10. Semantic Web Services: Towards Dynamic Business Integration
11. Policy Management for the World Wide Web
12. 2<sup>nd</sup> Annual Workshop on the Weblogging Ecosystem - Aggregation, Analysis and Dynamics
13. Activities on Semantic Web Technologies in Japan

## Conference Co-Chairs

Allan Ellis - Southern Cross University  
Tatsuya Hagino - Keio University

## Program Committee Co-Chairs

Fred Douglass - IBM Research  
Prabhakar Raghavan - Verity, Inc.

## Tutorials/Workshops Co-Chairs

Hiroshi Hatta - OKI Electric Industry  
Bebo White - Stanford Linear Accelerator Center

## Developers' Day Co-Chairs

James Hendler - University of Maryland  
Mark Baker - Canada

## Panels Chair and Deputy Chairs

Robin Chen - AT&T Labs  
Ian Horrocks - University of Manchester  
Irwin King - Chinese University of Hong Kong

## Poster Chair and Deputy Chairs

Weisong Shi - Wayne State University  
Akio Kido - IBM Tokyo Research Lab.

## Industrial and Practical Experience Track

### Chair and Deputy Chair

Kazuo Iwano - IBM Japan  
Byron Dom - Yahoo Inc.

### W3C Track Chair

Marie-Claire Forgue - World Wide Web Consortium

The 14th International World Wide Web Conference  
(WWW2005)
